HIGH DENSITY UNIT / BULK FILER UNIT

Hi-Density Filing Solutions

Why consider Hi-Density?

It allows the user to make use of vertical height - costly floorspace is maximised.

Allows the user a myriad of internal component combinations dependant on the storage application.

Internal Components can be simply adjusted at any time making use of multiple setting options on the side of the cabinet.

A variety of finish options are available to enhance the overall aesthetic of the area in which the cabinets are being installed.
